

# IMPORTANT NOTICE: CAPITAL CREDITS REFUND UPDATE

In December, Southern Rivers Energy assigned capital credits for a portion of the year 2003. However, some refund checks could not be delivered due to outdated or insufficient addresses. **Below is a list of all capital credits refund checks from the 2003 partial retirement that have been returned by the U.S. Post Office.**

If you were a Southern Rivers Energy member in 2003 and still have an active account, your capital credits were applied to your November or December bill based on your billing cycle.

For former members who no longer have an active account, checks have been mailed. If you believe you are due a refund but have not received a check, or if you recognize a name on the list, please contact Customer Service.

For more information, to view additional lists or to update your address, visit [southernriversenergy.com/capital-credits](http://southernriversenergy.com/capital-credits). **To claim a refund or if you have questions, please contact Customer Service at 770-358-1383 or toll-free at 877-358-1383.**
